ABSTRACT OF THE JOURNAL.

FIRST DAY—WEDNESDAY.

The Maine Annual Conference of the Methodist Episcopal Church, held its forty-fifth session at Saccarappa, commencing Wednesday, May 5th, 1869.

The Bishop, Rev. D. W. Clark, D. D., being absent, the Secretary of last year called the Conference to order.

The Presiding Elders then proceeded with the opening religious services.

The 265th Hymn was sung. Geo. Webber, D. D., read the 1st chapter of Colossians.

The Lord's Supper was administered by the Presiding Elders, assisted by several of the elder Brethren. More than one hundred, ministers and members of the church, partook of the sacrament.

The opening prayer of the Conference was offered by Rev. D. B. Randall, who fervently addressed the throne of grace in behalf of the ministers, present and absent, not forgetting him who, since our last meeting, has been called to his reward, or the widows and orphans of the departed brethren. To his earnest appeals for these, and for the church and people with whom we hold our session, our hearts and tongues responded, Amen!

Bro. C. F. Allen, the Secretary of last year, then announced the absence of the Bishop, and the necessity of electing a President from among the Elders. Geo. Webber, D. D., was elected to the Chair.

The roll was called by the Secretary, and sixty-five members responded to their names.

C. C. Mason was elected Secretary, and C. F. Allen and A. S. Ladd, Assistant Secretaries.

Eight o'clock was then fixed upon as the hour for meeting, and a quarter before twelve as the hour for adjournment of the business sessions of the Conference, except when otherwise ordered.

The Standing Committees were appointed, and Lay Delegates were invited to seats within the bar.

AFTERNOON.

A large congregation assembled at 2 P. M. to hear Rev. W. N. Richardson, who preached an excellent sermon on 2d Peter 1 : 10 and 11.

The sermon was followed by stirring exhortations from several of the brethren which were attended with power, and received with interest by all present.

EVENING.

At an early hour the church was filled to overflowing with those who had assembled to enjoy the prayer meeting appointed at 7½ o'clock. Rev. E. Martin presided, and the meeting was a season of remarkable interest and spiritual power.

The prayers were fervent, the singing inspiring and the testimonies and exhortations soul-stirring.

SECOND DAY.

THURSDAY, May 6.

The Conference met at the appointed hour. The prayer meeting was conducted by Rev. J. Colby. The Holy Spirit rested upon the assembly. Fervent prayers were offered for divine guidance in the business of the day, and all were exhorted to seek the "fullness of the gospel of peace."

At 9 o'clock Bishop Clark took the chair and called the Conference to order. The opening religious services were conducted by Rev. C. F. Allen.

The seventh Question was taken up : "Who are the Supernumerary preachers?"

The relation of W. N. Richardson was changed at his own request, and he was located.

The eleventh Question was taken up and the character of the ministers passed.

The Presiding Elders gave very encouraging reports of the condition of their respective districts.

W. C. Stevens was granted a location, Geo. Wingate was granted a Supernumerary relation and James W. Hathaway was reported withdrawn.

On motion of D. B. Randall a committee was appointed to consider and report a plan for the better support of feeble charges.

Rev. Dr. Harris, Assistant Secretary was introduced to the Conference and made a very able and eloquent appeal in behalf of the Missionary Society of the M. E. Church.

AFTERNOON.

The opening religious exercises were conducted by Rev. Samuel Paine.

Rev. Stephen Allen, Chairman of Committee on Education, took the chair.

Rev. E. R. Keyes delivered a very able and eloquent address in which he urged the need of ministerial education.

Rev. W. R. Clark of the New England Conference, represented the New England Education Society, and made an eloquent appeal in its behalf.

Rev. Dr. H. P. Torsey, President of our Conference Seminary and College, followed and in his usual happy manner urged the claims of that Institution upon the Conference.

Rev. A. J. Church, of the Providence Conference, made the closing remarks which were brief and pointed.

EVENING.

The evening meeting was devoted to the interests of the "Soldier's Orphans Home" in Bath. Rev. J. E. C. Sawyer presided and Rev. C. A. King offered prayer.

After recitations and singing by several of the orphans present, Rev. Dr. Munsell of Illinois, and Rev. E. D. Winslow of Boston, addressed the meeting. The house was crowded, the meeting interesting and the collections liberal.

THIRD DAY.

FRIDAY, May 7.

Bishop Clark called the Conference to order at the close of the hour of prayer.

The Conference ordered a draft of $30 on the Chartered Fund for the Preacher's Aid Society.

Rev. N. C. Clifford, Chairman of the Committee on Tract Cause, reported a series of resolutions which were adopted.

The report of the agents of the Book concern, and the Book committee was read and placed on file.

The second, fourth and fifth Disciplinary Questions were taken up and five were continued on trial, and advanced to the class of the second year, five candidates were elected to Deacons and four to Elder's orders.

The Conference ordered that the Post office address of the Local Preachers and the Preachers widows be inserted in the Minutes of the Conference.

Committees were ordered, on Freedmen's Aid Society of which Rev. C. Fuller was made chairman, and on Lay Delegation of which Rev. C. C. Cone was made chairman.

Rev. S. H. Merrill, Agent of the American Bible Society was introduced and addressed the Conference.

The Sabbath School Committee, through the chairman D. B. Randall, submitted a report which was adopted.

The first resolution demands more time for Sabbath School instruction and suggests the propriety of substituting the school for one of the preaching services.

AFTERNOON.

The opening religious services were conducted by Rev. C. W. Morse.

Rev. C. Fuller, chairman of the Committee on Freedmen's Aid Society, introduced G. Haven, D. D. who spoke of the relations of Methodism to the South.

The Agent of the Society, Rev. A. A. Gee of Tennessee Conference, followed, and for more than an hour held the attention of the audience, while he presented in a most thrilling manner, the claims of the poor of the South upon the Christian people of the North. At the conclusion of his remarks eighty-six dollars were contributed to the Society which he represents.

Rev. J. E. C. Sawyer, chairman of the Committee on Temperance, then took the chair, and very interesting addresses were made by Rev. A. J. Church, of Providence Conference, and Rev. John Allen, on the subject of temperance.

EVENING.

Rev. E. W. Jackson, C. A. Stackpole, Esq., and Rev. E. D. Winslow, of Boston, held the large assembly present till a late hour. Each of the speakers took advanced and uncompromising ground in reference to the cause of Temperance. The services were enlivened by singing by Chaplain McCabe.

He chose for his text, Romans 1: 16, and presented the theme in a very able manner.

EVENING.

The evening was devoted to the interests of the Church Extension Society, of the M. E. Church. Eloquent and appropriate addresses were made by Rev. Messrs. Perry, Randall and the agent, Rev. C. C. McCabe.

SUNDAY.

The services of the Sabbath were of an exceedingly interesting character. The Love Feast, at 9 o'clock, presided over by Rev. J. Colby, was what its name indicates a *feast of love*. A very large number of ministers and laymen engaged actively in the exercises, and witnessed the power of Christ to save and bless.

At ten o'clock, every available part of the church was filled to hear Bishop Clark, who preached from 1st Timothy 4: 9, on the profits of godliness; a sound, practical discourse, which was listened to with evident satisfaction by all present.

At the conclusion of the sermon, Rev. C. F. Allen presented six candidates, who were ordained Deacons, by the Bishop.

At 2 o'clock, P. M., the church was again filled to listen to Rev. S. Carter Brown, of Providence, who preached an excellent sermon on John 12 : 21, at the conclusion of which four candidates were ordained Elders.

The devotional exercises were conducted by Rev. E. Martln, assisted by Rev. J. B. Lapham.

The Treasurer, A. B. Lovewell, read the Annual Report, showing a decrease in the amount contributed, compared with the previous year, which fact is attributed to the large amount of money expended in building churches within the bounds of the Conference.

REPORTS OF COMMITTEES.

EDUCATION.

MAINE WESLEYAN SEMINARY AND FEMALE COLLEGE.

Resolved, 1. That the continued prosperity of the Maine Wesleyan Seminary and Female College, is highly encouraging, that the Institution and its Faculty are entitled to our unabated confidence; and that we heartily commend it to the generous support of our people.

Resolved, 2. That the measures adopted by the Trustees to provide for the growing wants of the Institution, by erecting a new Academic building, meets with our hearty approval, and that we will cheerfully cooperate with them in all proper measures for accomplishing this object and otherwise improving the condition of the Institution.

Resolved, 3. That we tender our thanks to those noble hearted laymen who have so generously contributed to the funds of the Seminary and the Board of Education, and who have pledged their aid as liberally toward the new Seminary building.

Resolved, 4. That we recommend to the Trustees to proceed to the erection of the projected new Seminary Building whenever the Building Committee shall deem it advisable, (the committee are Sam'l R. Bearce, A. P. Merrill, Wm. Deering, Jesse T. Stevens, Orrin Daggett, E. R. French, Thurston W. Stevens, H. P. Torsey, F. A. Robinson.)

Resolved, 5. That we deem it highly important that provision be made for instruction in Biblical and Theological science at our Seminary at Kent's Hill, for the young men called to the work of the ministry who are unable to avail themselves of the advantages of the Boston Theological Seminary.

Resolved, 6. That we approve the objects of the Maine Wesleyan Board of Education, and that we will encourage our people to contribute to its funds.

The school at Kent's Hill during the past year has been pleasant and prosperous.

Number of students by aggregate of terms, about	500
Number of young men fitted for College,	20
Number of graduates from this school,	33
Number studying for the ministry,	24
Number of conversions, about	50

The College building is in excellent repair. The old boarding house is to be remodeled in the Summer vacation. We hope to commence the new Academic building this year.

The property of the Institution including $5000, in the hands of the Board of Education and $5000, in notes of R. B. Dunn, Buildings, Land &c. is worth about $80,000.

In addition to this about $17,000 has been raised toward the new building in cash, notes and pledges, To complete it at least $10,000 will be needed in addition; and the invested fund should be increased to at least $30,000, to afford an adequate salary to the teachers, and supply apparatus, &c.

For all the church has paid for the Seminary it has returned far more than an equivalent. It has educated in part at least 6,000 church members, 5,500 teachers, 600 ministers, and more than 1000 we trust have been converted to God.

Our Conference has contributed in support of the Seminary an amount equal to $4.00 for each student, less than 3 cents for each member (annually.)

The moral and religious condition of the school has steadily improved. The ratio of conversions has increased. Twenty years since, 1-15 of the attending students professed religion while connected with the Seminary, now from 1-5 to 1-3 of this class of students, have professed conversion.

WESLEYAN UNIVERSITY.

It gives us the greatest pleasure to say that this, our oldest College is becoming one of the first institutions of learning in the country. Its Faculty, Buildings, Libraries, Cabinets, Apparatus and Endowments, are the just pride and joy of our Zion.

The noble gifts at the last commencement, in addition to their previous gifts, of Daniel Drew, Esq. of New York, of $70,000, and Isaac Rich, Esq. of Boston, of $55,000, to the Endowment Fund, making an increase of $125,000, sent a thrill of joy through all our hearts. The whole property of the University is now estimated at about $550,000. Much has been done of late for this Institution. Much more however remains to be done. The Scientific Department needs a building that will afford better facilities than we now have for instruction in this department of learning. Also instruction in the Holy Scriptures, should be provided, a professor for this specific work should be sustained, whose sole business should be to defend, teach and expound the word of God to the Students. Lectures on this subject should be delivered annually to the whole company of students. This would not interfere with our Theological schools but would rather sustain them, acting as a stimulus to the students to attend them. We hope that God will ere long raise up still other benefactors who will supply these needs of our cherished University.

BOSTON THEOLOGICAL SEMINARY.

Resolved, 1. That we are highly gratified with the present state and prospects of the Boston Theological Seminary.

Resolved, 2. That we recommend our young men who have the requisite qualifications, about to enter the ministry, to avail themselves of its advantages.

Resolved, 3. That we are opposed to making any distinction between college graduates and those who are not, provided they are equal in respect to attainments in learning.

Resolved, 4. That Eliphalet Clark, M. D. and Stephen M. Vail, D. D., be declared nominated by this Conference, as our representatives in its Board of Trustees.

NEW ENGLAND EDUCATION SOCIETY.

Resolved, 1. That we heartily approve the objects of the New England Education Society, and will endeavor to raise the amount of $425 the ensuing year, being the sum apportioned by its Directors to this Conference.

Resolved, 2. That we will also take up a collection for Education, the money to be appropriated to the Maine Wesleyan Seminary and the Boston Theological Seminary according as the societies and Board may elect.

TEMPERANCE.

Resolved, 1. That, regarding intemperance as the greatest evil of the age, we reaffirm, as a Conference, our devotion to the principles of total abstinence for the individual, and prohibition for the State.

Resolved, 2. That by pulpit, platform and social efforts, we will do all in our power to promote the development and progress of temperance ideas, the disenthrallment of those enslaved by the passion for strong drink, and the abolition of the traffic in alcoholic liquors.

Resolved, 3. That, esteeming it the duty of christian men to vote as they pray, and viewing the ballot box as one of the most appropriate as well as powerful instrumentalities that can be made use of in the interests of morality, we will neither vote ourselves, nor encourage others to vote, for any party, measures or men not practically devoted to the cause of prohibition.

Resolved, 4. That the course taken by the Legislature and the Chief Executive of this State during the past two years, has so crippled and destroyed the influence of the prohibitory law, that it is no longer enforced, except in rare instances, and there accordingly prevails such an amount of degradation and crime as must fill with sorrow and indignation the heart of every true friend of temperance.

Resolved, 5. That we look forward with interest to the approaching session of the State Temperance Committee, and give earnest expression to the hope that the result of its deliberations will be the calling of a State Convention, in which the political duties now devolved upon the friends of this cause, may be fully considered.

Resolved, 6. That we regard with approbation the position that has been assumed recently by the *Riverside Echo*, the organ of the temperance people of Maine, and will exert our influence for the extension of its circulation.

TOBACCO.

Inasmuch as it is commonly affirmed, even by those who are accustomed to the use of Tobacco that its use is opposed to cleanliness and injurious to the health, and whereas its use is adverse to intellectual, moral and religious progress, and a constant drain of no trifling magnitude, upon our material resources, and

Whereas, Even the fumes of this poisonous weed, are especially repulsive to many who use it not, therefore—

Resolved, 1. That as members of a christian church, and ministers of a pure gospel, it is inconsistent and morally wrong for us to use this narcotic as a luxury in any form.

Resolved, 2. That by example always and by kind yet earnest words, on every proper occasion we will dissuade from its use.

Resolved, 3. That we reaffirm our purpose to admit no one to this Conference, who shall persist in its use.

THE TRACT CAUSE.

The circulation of religious truth in *tracts*, from their cheapness and pointedness, has ever been a source of power in the church, often leading the sinner to the Saviour, and the Christian to a higher life; therefore—

Resolved, 1. That we will take collections for this cause upon all of our charges.

Resolved, 2. That we will be more faithful in the distribution of tracts in our Sabbath Schools and among our people.

AMUSEMENTS.

Resolved, 1. That as ministers of Christ, we will not countenance by our presence any of those places where sinful amusements are practiced, but will both by precept and example, do all in our power to banish them from among the people.

Resolved, 2. That as the word of God gives no license to worldly amusements, the safest way to ascertain what amusements may be indulged in with the Divine favor is to live near to Christ, and then we believe such persons will be taught of God.

Resolved, 3. That the increasing tendency to seek worldly amusements instead of seeking comfort in the religion of Jesus, calls for deep humiliation upon the part of the church.

FAMILY WORSHIP.

We need all the assistance in the divine life, which can be found in Christian duties. It is the duty of all believers in our Lord Jesus Christ, and of all who want to be such, to devote a part of their time each day to sacred and holy worship with their households. This duty grows out of the obligation that religion enjoins on all who profess it, and from the call to let our light shine, that others seeing our good works, shall be led to glorify our Father who art in Heaven, and from the interest every one should have in the safety and happiness of the family, we therefore reaffirm the report of last year:

Whereas, The family furnishes the most constant and permanent place of religious worship; therefore—

Resolved, That in accordance with the teachings of the Bible and the requirements of the discipline of the M. E. Church, we will urge upon our people, both in private and public, a faithful observance of this means of grace.

THE OBSERVANCE OF THE SABBATH.

Whereas, God in his holy word declared "my Sabbaths ye shall keep, six days shall work be done, but on the seventh is the Sabbath of rest holy unto the Lord," and has made the keeping of the Sabbath a condition upon which his mercies shall be continued to us, and its desecration a reason for the discontinuance of those mercies and the pouring out of his anger upon us.

Resolved, 1. That with deep and unspeakable regret we behold the growing disregard of its claims by nearly all classes of the community who seek their pleasure in worldly enjoyments instead of in the active service of God on this day.

Resolved, 2. That we esteem the performance of its hallowed duties, sources of greater delight than any pleasure of a merely worldly character.

Resolved, 3. That we consider its observance as most binding upon all classes of society, as an evidence of our recognition of the claims God has upon us for our obedience and love, and as affording to man the rest required to restore and invigorate his wasted physical powers.

Resolved, 4. That in its desecration we behold signs most ominous of evil to society at large, as affording a wider scope for vicious practices, and imbuing the public mind with sentiments practically ignoring the supremacy and authority of the Divine Being. And that such a course persisted in must inevitably ultimate in the ruin of those who pursue it, and be productive not merely of increased immorality, but increased anxiety and expense of both church and State.

Resolved, 5. That all legimate means should be used to preserve its sanctity by members of all religious and philanthropic societies, and especially by advocating its claims and enforcing its sanctions from the desk by those who preach the gospel.

CHURCH EXTENSION.

Whereas, In almost every part of the Republic, especially in the West and South, embracing more than half our national domain, the present is our golden opportunity—and

Whereas, We are deeply convinced that there never has been a time or a field in which liberal sowing would yield so rich a harvest—therefore

Resolved, 1. That the Church Extension Society is entitled to and shall receive our most cordial and earnest co-operation.

Resolved, 2. That we will faithfully take up the collection for the Society in all our charges.

Resolved, 3. That the following persons be appointed to constitute a Board of Church Extension for this Conference:

President, Rev. Ezekiel Robinson; *Vice President*, S. R. Bearce, Esq.; *Corresponding Secretary*, Rev. K. Atkinson; *Recording Secretary*, Rev. A. S. Ladd, *Treasurer*, William Deering, Esq.; *Managers*, Rev. E. Martin, Rev. William Stout, Rev. Stephen Allen, John J. Perry, Esq., Eben Nutter, Esq., H K. Barker, Esq.

Resolved, 4. That the Presiding Elders be instructed to apportion the amount for which the General Committee may ask this Conference, among the several Districts and Pastoral Charges for collection, and that each preacher in charge shall report at our next session, along with his Missionary collection, the amount asked and received for Church Extension.

LAY REPRESENTATION.

Whereas, By the action of the last General Conference, the Laity of the M. E. Church are to be invited to ballot for or against Lay Delegation; and

Whereas, The wishes of the people are made by that action a condition of any ultimate decision; therefore,

Resolved, 1. That we cordially endorse said action, and will see, so far as practicable, that the provisions for taking the popular vote are faithfully observed.

Resolved, 2. That Rev. C. Munger and S. Allen be a Committee to furnish to the people of our Societies, by circular or otherwise, a statement of facts upon this question.

BIBLE CAUSE.

Whereas, The Holy Scriptures are the only and sufficient rule of faith and practice, and are committed to the Church for use and distribution—and

Whereas, Through the Providence of God, these Scriptures are now translated into the languages of four hundred millions of people, and the way is opening for access to them; and as the rapid acquisition of the knowledge of letters by the freedmen of the South, and others, would make the presentation of a copy of the Bible to each not possessing it, a profitable investment—and

Whereas, The American Bible Society is doing its utmost to meet these responsibilities—therefore

Resolved, 1. That we gratefully acknowledge the Divine Providence thus opening the way, and pray for further blessings.

Resolved, 2. That we reaffirm our allegiance to this Society, and pledge our cooperation with its agents.

Resolved, 3. That in the absence of the agent we will commend the Society as best we can, and take collections in all our charges.

THE PREACHERS' INSTITUTE.

After considering the object and methods proposed touching this subject committed to us, your Committee unanimously recommend the organization of an Association to be called the Maine Conference Preachers' Institute. The objects of this Association in brief are the improvement of acting Pastors in Biblical science in general, and the more thorough discussion of the living questions and practical duties of our work—therefore

Resolved, That the following brethren be a Committee to make all necessary arrangements for such an organization and session during the present Conference year, providing that the expense incurred shall not exceed $3 per member, which may be raised by a collection on our respective charges.

The brethren named are—C. Munger, Stephen Allen, A. W. Pottle, Parker Jaques, Cyrus A. King, J. O. Thompson.

FEEBLE CHARGES.

According to the representation of our Presiding Elders, who know whereof they affirm, by painful observation, the charges in our rural districts generally are declining in numbers and strength by the migration of our people to the manufacturing and commercial centres or to the far West. This process of depletion will probably continue for some years, and continue still more to embarrass this part of our work. Some plan of aid would seem to be imperatively demanded; but it is not easy to devise any effectual plan to meet this difficulty which would not be apparently in conflict with the general enterprise of the church and liable to damage our denominational integrity.

Your Committee present the following resolutions, which embrace a meager outline of a plan, as the best thing they are prepared to recommend.

Resolved, 1. That in the judgment of this Conference, all charges not able to furnish a comfortable support for a minister, except such charges as promise to be soon self-sustaining, should be placed in circuits, and that our work should be so arranged as to cover our whole territory, so far as possible, with pastoral labor and oversight.

Resolved, 2. That the Parent Missionary Society be requested to appropriate a larger proportion of the funds raised in the Conference to the support of the work within our bounds.

Resolved, 3. That we recommend the appropriation of missionary funds only to those charges which are willing to conform to this arrangement, and to contribute generously to the support of the institutions of the church.

Resolved, 4. That the condition and claims of the embarrassed portions of our work should be brought to the attention of our people in all our congregations, and contributions solicited in their behalf; and that all funds raised for this purpose be put into the hands of the Preachers Aid Society for disbursement.

FREEDMEN.

Your Committee are satisfied from the information before them, that there was wisdom in the organization of the M. E. Freedmen's Aid Society to meet an emergency thrust upon us as a result of the war.

The establishment of Mission schools in connection with Mission churches in the South was a necessity; to meet which we had no other agency.

We believe that God owns and *honors* the labors of the Society and that great good has been accomplished thereby.

The agent reports now in the South, one hundred teachers, six Normal and four Biblical schools, supported by this Society for the education of Teachers and Preachers—therefore

Resolved, That we sympathise with the action of the late General Conference endorsing this Society and recommend that a collection be taken up in aid of its funds in each of our charges early in the Conference year.

SUNDAY SCHOOLS.

Resolved, 1. That there is no department of our work more important than that of the Sunday School. It should therefore have suitable time and attention given to it that the crowding of the Sunday school exercises into a half hour or three-fourths at most as we now do, is an unwise practice, and is calculated to retard very much the true design of the Sunday School work. We therefore recommend to all our people, so far as is practicable to do so, to devote one of the services of the Sabbath, either morning or afternoon to the Sabbath School and Biblical instruction; and that the Preachers in charge, together with the Sunday School Committee, be directed to carry this recommendation into effect, wherever it is at all practicable.

Resolved, 2. That the attention of the Conference be especially directed to the following Resolutions of the last General Conference—"That in view of the pressing need of our Sunday School work in the South and in other parts of the country, we earnestly call the traveling Preachers, to give special attention to the collections for our Sunday School Union; and we also commend the claims of that indispensable and useful society to the enlarged liberality of our people. We recommend that in the examination of the character of the Preachers, they be required to state the amount of the collection for the cause, as they now do on the subject of Missions.

Resolved, 3. That the Sunday School Committee for the ensuing year, be requested to call a Conference Sunday School Convention, to be held at such time and place during the year as they may determine; to continue at least two days, and to make arrangements, if possible to secure the presence of our corresponding Secretary, Bro. Vincent, and to hold at the same time a Sunday School Institute. And that one or more Sunday School Conventions be held in each Presiding Elder's District, to be called by the Presiding Elder and the District Sabbath School Committee.

Resolved, 4. That we deprecate as a general thing the holding of union Sabbath Schools as they are called, believing that as Methodists, we should educate our own children, in our own Sabbath Schools, and that the provisions of the Discipline, page 238, be carried out as fully as it is possible to do so.

Resolved, 5. That the ability and usefulness of the "Sunday School Teacher's Journal," commends it to the favorable consideration of this Conference, and we commend it to all our people, and hope it will be generally introduced into all our Sunday Schools.

MEMOIR.

REV. URIEL RIDEOUT.

Rev. Uriel Rideout was born in Bowdoin, Maine, July 26, 1816, and died at Cape Elizabeth Ferry, August 30, 1868, aged 52. Another burning and shining light has passed from earth to heaven. The luxuries and advantages of affluence were not his to enjoy in his youthful days, but what was far better for his future character, he was trained to habits of industry, economy and self-reliance. Early piety, for he was converted at the age of 15, was the crowning excellence of his maturing years. Thus prepared, he became a worthy model of filial affection in assiduously caring for his widowed mother till she fell asleep in Jesus.

Possessing rare business talents and marked facilities for obtaining wealth, he freely left all in obedience to the call of God, "Go preach my gospel," he well understood the toil and sacrifice of the itinerant but having respect to the recompense of reward, he was not disobedient to the heavenly vision, and gave himself wholly to the ministry.

After travelling one year under the Presiding Elder, he joined Conference in 1846 and was stationed at Kittery two years, and in 1848 he was appointed at North Gorham and Standish. The next year he located, being oppressed with a sense of his need of a more thorough mental and ministerial training, and entered the Concord Biblical Institute, resuming his place in the Conference in 1850, he was successively appointed to Scarborough, Cape Elizabeth Ferry, Cumberland and Yarmouth, South Berwick, Saccarappa, Bowdoinham, Kendall's Mills, Cape Elizabeth Depot, South Berwick, Bethel and Cape Elizabeth Ferry. In all these appointments his labors were characterised by zeal and discretion, by ability and ministerial fidelity, and many were the souls that turned to the Lord, as seals of his ministry. He bore an unblemished record and was highly prized by his compeers, not as much as he would have been, had not a retiring disposition prevented his being fully known. Combining clearness and strength of mind with purity and warmth of heart, he was well fitted to command the respect and confidence of his several charges.

At the last session of the Conference he asked and received a supernumerary relation and supplied for three months the people of his last charge, but his work was done. His disease assuming a new power, rapidly brought him to death. Bro. Rideout had often expressed a desire to "cease at once to work and live" and this desire was granted. During his brief illness of ten days his ministerial brethren were often at his bedside and to them he expressed his willingness to go, and assured them that all was well, that to die would be to be with Christ. I have been long looking forward to such an hour as this, and have endeavored to live so as to have nothing to do but pray, praise and trust. In the last hours of his life, (the Sabbath afternoon he died) he was heard to repeat in notes of confidence and victory these words:

"There's not a cloud that doth arise
To hide my Saviour from my eyes,"
"All is well, all is well.

He leaves to mourn his loss, his companion, who had participated with him in the toil and triumphs of the itinerancy and who had cheered his heart and ministered unto him as an angel of mercy unto the last. Their children survive to lament their loss and bless his memory.

DIVIDENDS on the popular "PARTNERSHIP PLAN," introduced by this Company respecting which read the following opinion of the HON. WILLIAM BARNES, Superintendent of N. Y. State Insurance Department: "Your plan of making dividends according to the capital (or net value) which each partner has in the Company, is entitled to much credit for its justice and simplicity, and probably hits upon the principle which a Court would adopt in distributing the assets of a Mutual Company in winding up its affairs through Receivership or otherwise."
